- **Head of Internal Activities** Theatre Arts of Multimedia University
Led the planning of internal activities for the club *November 2023 - December 2024*

CERTIFICATES

- **TryHackMe Cybersecurity 101** : Topics Covered: Linux and Windows Fundamentals, Command Line, Networking, Cryptography, Exploitation, Webhacking, Offensive and Defensive Security, Security Solutions, Defensive Security Tooling, SIEM
- **C++ Intermediate** : Topics Covered: Objects, Classes, Constructors and Destructors, Working with Files, Exceptions

PERSONAL PROJECTS

- **Caesar Cipher System** : A simple project I made during my first year using Python while exploring my interest in cybersecurity. It is a basic encryption and decryption tool using the Caesar cipher method
- **To Do List** : My first project which was built using JavaScript, HTML and CSS to strengthen my foundation. In this, users can add and remove tasks which will then be stored on the browser (local storage)

SKILLS

- **Programming:** Python, C++, HTML, CSS, JavaScript, SQL
- **Cybersecurity:** Familiarised with Wireshark, Metasploit, Burp Suite, Hydra, John the Ripper, GoBuster and CyberChef through TryHackMe course.
- **Others:** Linux, LaTeX

VOLUNTEERING

- **Kalsom Fellow:** Contributed to developing a media literacy module aimed at empowering secondary school students.
- **Volunteer @ Solidariti Pendidikan:** Volunteered at a Donation Drive to gather school materials for those affected by the flood.
